The Rowena Loop Cruise will end up at the National Neon Sign Museum in the heart of The Dalles downtown. If you elect not to go on the Cruise, please arrive at the museum prior to 6:00 PM. The museum's assets represent one of the largest collections of neon storefront signs in the world. The display features the evolution of electric signs and includes a vast variety of neon signs, including iconic one-of-a-kind retail signs and many signs related to the auto industry. Nearby parking has been reserved for our group in adjacent parking lots as well as reserved curb side parking along both Court and E 3rd Street. **Live Music** will be played in the parking lot on the east side of the museum from 6:00 to 8:00 PM by **River City Rhythm**. Food can be purchased at **Manny's Lonchera's food truck** located onsite. Tables and chairs will be conveniently setup next to the band and food truck. This is a guided tour. Sign up for your group tour when you arrive onsite.
