Reservations have been made for cocktails/dinner at the Columbia River Hotel's restaurant - Portage Grill - for both Thursday and Sunday evenings. This is for those volunteers that arrive early on Thursday to assist in setting up for the Show and for those who are spending an extra day in The Dalles and elect to head for home on Memorial Day. If weather is favorable, we can sit outdoors on their covered deck or dine inside in the restaurant and bar area. Participants can simply order off the Portage Grill's drink and/or dining menu. If you are planning on attending, please check the appropriate box on the Registration form so that we can give the Portage Grill an accurate head count.
