The President's Pen - By Bill Nelson

Hello Legends members,

I hope you are all having a safe and healthy summer.

I have been on vacation myself for the last few weeks and missed out on the Griot's Show which I understand was quite successful. Thanks to all who participated.

I drove my 65 GTO convertible all the way to Springfield, Illinois for the national event.

I put almost 5,000 miles on the car during the trip. It's a heck of a long drive! My air conditioning system that I worked so hard on prior to departure, failed about halfway through. Leaving me to beat the 90° temperatures without AC!

I arrived at the Nationals in Springfield on the second day of the event at 9:30 a.m. My friend Sonya from Illinois accompanied me to the event. It was a hot and humid start to the day in the morning as we arrived. We got the car through the tech check tent and photography and found our parking space for the popular vote portion of the show.

We then went inside to see The Concourse cars and when we returned outside, we could see that a storm was brewing.

Within 20 minutes tornado sirens were wailing as people tried to take cover in the hotel and batten down whatever they could. The wind and the rain hit so hard that the sunny morning had turned to night. Anything loose was blowing around and trees were snapped as well as power lines blocking the entrance to the hotel. A few people were injured by flying debris.

The tech check tent was completely destroyed and some Concourse cars that were being judged outside were damaged by the falling poles.

We were trapped in the parking lot of the hotel which had only emergency power for several hours before being brave enough to drive through the high-tension lines out of the lot.

The rest of the weekend was canceled due to the lack of power at the hotel. It was a long drive for only 3 hours at the Nationals.

I've ordered a connector cable for my phone that should allow it to hook up to Ted's projector. If it does work at the meeting, I will show you photos from the Nationals including damage to cars and the whole overall scene.

It was a Nationals not to forget. And the good reason why it should be out in the west where we do not have problems with storms and tornadoes.

So long for now....

Sincerely, Bill Nelson president Northwest GTO Legends.

35th Annual Northwest Muscle Car Meet

Club Members & Visitors,

We are pleased to announce that for the **35th year**, we will be hosting our Annual Northwest Muscle Car Meet at the [XXX Root Beer Drive In](#), in Issaquah, WA, which will take place on Sunday, August 6th, between 8:00am and 3:00pm.

Actual online event registration will be available in a few days, but we want to get your attention so you will add this car event to your busy schedule.

We would like to encourage you to “Pre-Register” on or before August 4th, which will save you money (\$25 versus \$30) and lots of time and effort, as we will be able to give you your registration packet at the gate, and you can just park and enjoy the show.

There is no risk because we will automatically reimburse your credit card if you cannot attend for any reason.

We will send you a reminder when we turn on Online Pre-Registration at our Club Website (www.northwestlegends.com).

PONTIAC PARTS

I have finished the work on my car (1966 GTO convertible) and have some parts and items left over that I do not need and want to get out of my garage. ***I will sell them to any members or other individuals who pay for them by making a contribution to the Club in the amount that they believe the part or parts are worth.*** I will then either make arrangements for members to pick up the part or parts or will ship them (with the recipient reimbursing me for shipping costs). Most parts came from Ames and are in their

They include the following:

Set of OEM style rubber floor mats (front and rear). Need a bit of cleaning but in very good condition. \$190 at OPG.

License plate frames (3).

Autogage three gauge set. Never used. Black bracket, white dials. By the time I discovered my error (should have ordered the set with black dials), it was too late to return them. All fittings included. About \$90 new.

Fuel filter for tripower.

Hood insulation clips.

Lens for rear quarter courtesy light.

Vent window handles.

Flame thrower coil.

Switch, door jamb and hood alarm.

1966 Pontiac GTO – Lemans Convertible Interior Screw Kit.
