Tigers on the Columbia - Wenatchee

Another GREAT event . TOTC over the Memorial Day weekend. This was the largest Pontiac event on the West Coast and it did not disappoint. A great venue, awesome cruise and excursions and of course 90+ Pontiacs basking in the terrific weather [see the SHOW on page 6](#)

The President's Pen - By Bill Nelson

Hello Legends members,

It's with great pleasure that I announce that the Tigers on the Columbia car show was the best one ever!

Not only did we have the highest number of registrations.... But it seems that showgoers had nothing but kind words to say about this new location and even more kind words about how well this show is run.

The volunteers that operate our shows are the best group of volunteers ever assembled under the Pontiac name.

We come from a wide variety of different skill sets and it all fits together very nicely and compliments each other.

The cruise, the car show and the banquet at the Tiger event all went smoothly. I know I can't wait to go to Wenatchee again!

But while we all glow in the accomplishment and pride from our Wenatchee show we can't forget that we have a show coming up later this month.

The Northwest American muscle car show is coming up on **June 25th**, that's a Sunday at Griot's garage in Tacoma.

Please come out and support this show. Griots is one of the major sponsors of our club and we're happy to support their business.

I have a few special events in mind for this summer and I'll forward more details to you as they come along.

Also, keep in mind that our cousins, the Firebirds are having a show on August 20th in Montlake Terrace.

This is a return of their all-Pontiac show that has been missing for the last few years.

My thanks again to everyone who participated in and volunteered at the Tigers on the Columbia show for 2023.

Pontiac people are the best!

Sincerely, Bill Nelson president Northwest GTO Legends.

Steve 'Ferk' Ferkovich

Steve "Ferk" Ferkovich began his ski patrol career in 1957 at the age of 15 in his hometown ski area, Cooper Hill, Colorado. The ski area was built by the U.S. Army during WWII to train the 10th Mountain Division troops.

In Fall 1965, just out of college, Ferk moved to Seattle and began a search for a ski area to continue patrolling. After skiing several areas in the state, he decided Crystal Mountain was where he wanted to be. He joined the Crystal Mountain Volunteer Ski Patrol the following year.

In 2007, to celebrate Ferk's 50th year with the National Ski Patrol, Crystal Mountain renamed his favorite top-to-bottom run — Iceberg Ridge, Iceberg Gulch, and Lower Bull Run — to Upper, Middle, and Lower Ferk's.

After nearly 63 years on ski patrol, Ferk is a role model and celebrated for his exemplary commitment. The motto on Crystal Mountain's Ski Patrol is, "Work like Ferk!"
